BASIC ACADEMIC DETAILS

Qualification	Board/University	Year	Percentage
B.E(Information Techonology, Engineering)	Dr.J J Magdum Collage Of Engineering Jaysingpur	2014-2015	64.30% (Aggregate)
HSC	Dr. Bapuji Salunkhe College Miraj.	2010-2011	75.33%
SSC	Alphonsa Convent School Miraj.	2007-2008	85.53%

PROJECT DETAILS(Academic)

Project Title	Group Communication System for Bikers Trekking Using Smart Phones
Environment : Java, Android, Dreamweaver, WAMP Server Team size : 04 Responsibilities : <ul style="list-style-type: none"> ❖ Have gathered information related to project ❖ SRS has been prepared ❖ Few forms have been created in Dreamweaver 	
Description	<p>In this work, we are interested in taking advantage of Google Maps APIs and the Android platform to enrich user interaction in a cycling activity.</p> <p>For cycling group communications, a backend server is installed to handle connections and exchange data among group members. Bikers periodically upload their location data to the server and download the collected information from the server. Since all members must connect to the backend server, transmit individual status to it, and receive the collected information.</p>

CO-/EXTRA –CURRICULAR ACTIVITIE

- ❖ Worked as Member-Technical Committee for Information technology Student Association 2013-2014.
